About the Event

The Ultimate Auction is Ursuline's largest fundraising event supporting operational expenses for the school, as well as tuition assistance and educational programs benefiting all our students.

Over 400 people attend this special event and over 100 volunteers bring it to life each year. The event is held on the Saturday before Thanksgiving and is a wonderful way to celebrate our community and give thanks to our families, donors, sponsors, faculty, staff, and students.

This year's Ultimate Auction theme is *An Evening in Casablanca*, where guests will enter the intriguing world of Bogart and Bergman's 1940's Morocco, while enjoying a drink at "Rick's Café" in theme attire.

The evening's festivities begin at 5:30 p.m. with a signature drink and delicious appetizers served by our own UA students. Over 300 silent auction items will be on display, including spa packages, sports tickets, cooking classes, beach house vacations, and so much more. Following cocktail hour, guests are treated to an elegant sit-down dinner while our professional auctioneer will conduct our thrilling 35-item live auction.

So, "here's looking at you kid..." the night of Saturday, November 23, as you join us for an unforgettable *Evening in Casablanca*!
